Real Wood Edge

Features

- The perfect complement for both Maverick and Lariat Series
- Four choices of edge detail expand design options
- Five different species of wood provide the best possible color and grain matches to the laminate
- Fine craftsmanship of mitered corners adds classical wood design

Tahoe Series

A touch of wood on the edge detail adds great elegance to the Tahoe Series at a realistic price. Contemporary styling with four different real wood edge details: fluted, traditional, rounded or beveled - with mitered corners - make Tahoe a popular choice for all office setups. Add a full range of custom sizes and shapes and this Tahoe Series can fit any application or design concept

Product Specifications

Colors

- 12 standard colors for laminate and wood trim are available on tops and worksurfaces. See back cover.
- All 16 standard colors are available on the chassis.

Tops/Worksurfaces

- 1" TFM (Thermally Fused Melamine) on industrial quality (45 lb.) particleboard
- 3/4" wood trim coordinated to facilitate matching; with four different edge details - fluted, traditional, rounded or beveled. Corners are mitered on active edges
- Desk and tables, when stand-alone, are trimmed with wood on all sides
- Credenzas, storage units and bookcases are trimmed with wood on user side only. See upgrades on page 177 to add wood trim to ends of top
- U-shaped configurations are trimmed with wood on all edges (except back of hutch, bookcase, credenza, storage and file unit) unless specified to match flush to bookcases or storage/lateral file units
- On U-unit and L-unit configurations, the bridge/return top is cut to fit into a cutout on desk/credenza top (not modular) except for computer corner desks and computer credenzas
- Curved trim is made from carefully matched and joined multiple pieces

Configuration TH11R shown above.

Chassis Construction

- TFM chassis fastened by screws, steel brackets, and/or concealed fasteners
- 3/4" pedestal is standard; full pedestal is optional; double-wall pedestal housing
- 1"-thick end panels on desks, returns, credenzas, hutches and bookcases
- 3/4" height modesty panels on 3/4" pedestal units is standard
- Full height modesty panel on full pedestal units such as lateral file and personal file returns is standard
- Bullet desks are standard with 3/4" modesty panel
- Conference tables are provided with 7" modesty panel
- Unless otherwise specified, conference and round table bases are the same color as the top. Contrasting colors may be specified
- The modesty inset on the approach side for 30"-deep tops is 6"; for 36"-deep tops inset is 12"
- The modesty panel is flush to the approach edge on 20"-and 24"-deep tops
- Visible edges are edged with 2 mm thermally-fused PVC edge banding
- Adjustable leveling glides are provided on all units that are designed to be set on the floor
- Hutches for Tahoe Series are designed to fit Tahoe Series ONLY
- Product heights are coordinated to facilitate matching, e.g., credenza plus hutch is 65" high
- Standard woodgrain direction on the modesty of pieces 60" wide or less is vertical. On pieces wider than 60", the grain direction is horizontal

Drawer Interiors

- See page 179 for specifications. Maple-color vinyl drawers are standard. Optional wood drawer upgrade is available, see page 176
- Black vinyl drawers may be substituted at no up-charge

Drawer Suspension, Construction and Doors

- Maple-color vinyl box and file drawer has full extension, progressive action slides with precision steel ball bearings
- Heavy-duty file rods in file drawers
- Drawer fronts are inset to end panels except on storage units
- Recessed finger pulls are provided. Handles are an accessory option, see page 170
- Storage and lateral file units only have H3B handles
- Overlay drawer front and doors are standard on all separate storage units and separate file units. Other furniture with storage and lateral file elements are inset to the end panels of chassis and overlay at the kneespace
- All file and lateral drawers file legal-size from side-to-side
- Each desk is provided with one box drawer convenience tray, see page 172 for additional trays for other units
- See filing capabilities on page 179

Cord Management

- A grommet is standard on worksurface of computer corner desk and reception units; 3/4" clearance at bottom of hutch backs
- Optional wire management is available - grommets on page 171

Locks

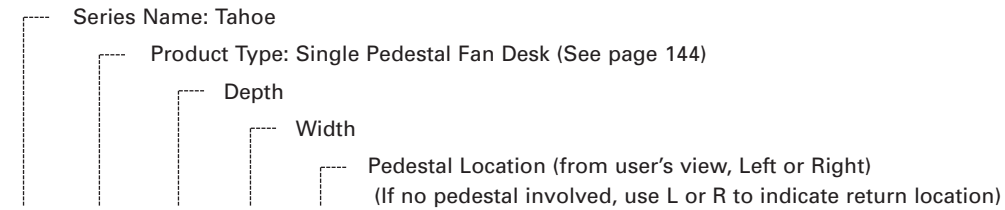

- Optional except on vertical and lateral files only; on the personal lateral file, the box drawers do not lock
- Optional locking on all pedestals, hinged-door storage units and hutches is available
- Black, removable cores are standard for all locks
- Pedestal key numbers are randomly assigned to all locking pedestals, except that double pedestal units will be keyed alike
- Master keys and keyed-alike combinations are available

Note: Dimensions assigned in this price list are nominal. If exact measurements are required, the requirement must be specified in the order and specifically acknowledged by Maverick Desk. Maverick Desk reserves the right to change construction details and standards without notification, if necessary.

Tahoe Series

Tahoe Notes:

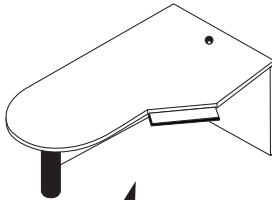

**Many custom pieces in this series can be easily ordered.
See the full range possible in the Maverick Series section.**

Features include:

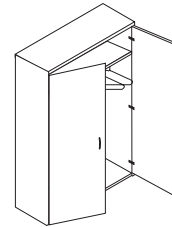

- The Tahoe Series, on a contemporary style chassis, coordinates well with either the Maverick Series or the Lariat Series.
- When combined in a design layout with Maverick, the real wood trimmed Tahoe Series provides a distinctive upgrade for the corner offices.
- In other settings, Tahoe Series can be combined with Lariat - using Lariat in the corner office - to significantly upgrade the outer office, as well.
